RE: President Search Announcement (Progress Report #1)

The Board of Governors is pleased to announce that we have begun the search to identify the next President of Bermuda College (BC).

The Board is committed to conducting an equitable, inclusive, transparent, and comprehensive search that will attract a strong and diverse pool of candidates. The Board has selected the Association of Community College Trustees (ACCT) to assist us with the Presidential search process. ACCT's assistance will include providing support with the development of the Presidential Profile, recruiting highly competitive candidates, and working extensively with the Board and Search Committee. ACCT has conducted over 750 community college searches and brings a wealth of knowledge and expertise to our process. ACCT's mission is to strengthen community college governance through education and advocacy. Julie Golder, J.D., Vice President of Search Services, will serve as our ACCT Search Consultant, and will assist the Board and College community throughout this important process.

Open Forums - Presidential Profile Development

An important step in the Presidential search process is the development of a Presidential Profile. On January 24, 2023, we will host a total of three (3) Public Forums. The purpose of these sessions is to listen to your input, which will assist with the development of the Presidential Profile. The entire Bermuda College community is invited and encouraged to participate in a wide-ranging discussion about the qualities, characteristics, and qualifications we are seeking in our next President, and the opportunities and challenges facing BC in the years to come. Additionally, you will have the opportunity to ask questions about the Presidential search process. The discussions will be facilitated by Julie Golder, J.D., ACCT, Vice President of Search Services.

We want to invite everyone to attend one of the important 1-hour Open Forums
