RE: Presidential Search Update (Progress Report #2)

On behalf of the Board of Governors, I would like to provide a brief update to let you know that we are on schedule with our search to identify the next President of Bermuda College. I would also like to take this opportunity to thank everyone who participated in the online survey, as well as the recent public forums, through which participants had opportunities to discuss the qualities and qualifications BC is seeking in our next President. Your insight and feedback were insightful and valuable, and your contributions informed the development of the Presidential Profile.

On the 25th of January, the Presidential Search Committee met for orientation and training and worked on the development of the Presidential Profile. On the evening of the 25th of January, the Board held a special meeting to review, edit, and approve the Presidential Profile.

The Presidential Profile was finalized and appeared in the Royal Gazette on the 1st of February, and ran through to the 3rd of February; it was also posted on the College's site.

The Presidential Profile and further updates (when available), can be found at the BC Presidential search webpage: [BC Presidential Search - Bermuda College](#)

The target date for applications is 28th February, 2023.

The Board of Governors is committed to conducting an equitable, inclusive, and transparent search process. If you have any questions or suggestions, please feel free to reach out to our ACCT Search Consultants: Julie Golder, J.D., Vice President of Search Services, at jgolder@acct.org or (202) 384-5816.
