## Nursing Programme Outcomes

---

### 1. Programme Completion Rate

The program completion rate reflects the percentage of students who graduate from the nursing program within 150% of the stated program length.

Cohort Completion Year	Completion Rate (%)
2025	38%
2024	33%
2023	60%
2022	50%

### 2. NCLEX-RN Pass Rate (First-Time Test Takers)

Data is reported by the National Council of State Boards of Nursing (NCSBN) for Bermuda, categorized under “First-time, Internationally Educated Candidates Taking the NCLEX-RN® for U.S. Licensure.”

NCLEX Testing Year	# Candidates	# Passed	Pass Rate (%)
2024	6	6	100%
2023	7	4	57.1%
2022	10	2	20%

### 3. Job Placement Rate

Job placement is based on self-reported data from graduates who passed the NCLEX-RN and were employed as Registered Nurses within 6 months of licensure.

Graduation Years (2022–2024)	# Passed NCLEX	# Employed as RN	Job Placement Rate (%)
