Freshman Orientation Fall 2020

Welcome to Bermuda College!

One of the most exciting journeys of your life - your undergraduate experience - is about to begin and we're thrilled that you have chosen to attend Bermuda College.

We're going to do things a little bit differently this year. Due to COVID-19, Freshman Orientation 2020 will be virtual. Our Virtual Orientation will help prepare you for all that Bermuda College has to offer.

We have prepared a virtual tour of the entire campus, including the library and even the bookstore. Instead of visiting the campus and taking the tour, you will log onto the BC app and register for the Virtual Orientation campus tour. Virtual Orientation will help you connect with the people and resources you need to help you get off to a great start.

In your acceptance letter, you will find your student user account and BC email. Follow the next steps to customize your BC email password and log onto the BC app to register for Virtual Freshman Orientation Fall 2020.
