

- Student Relationship to Institutions

Bermuda College students are encouraged to make early application to Voorhees College prior to the completion of their associate degrees. At the time of application, students will submit the application and an official transcript from Bermuda College and other educational institutions as appropriate. Voorhees College will develop a program plan for the student to complete the baccalaureate degree requirements.

- **Course-for-Course Equivalent to Satisfy General Education Curriculum Requirements**

Bermuda College and Voorhees College

Course-for-Course Equivalent to Satisfy General Education Curriculum Requirements

[Note: By virtue of the 2+2 Seamless Associate's degree to Bachelor's degree Articulation Agreement, Bermuda College Associate degree graduates will have satisfied the General Education Requirements of Voorhees College and will transfer to Voorhees College with Junior classification and third year status.]
