

A CYBER-ATTACK CAN BE DEVASTATING - WHETHER FROM VIRUS THREATS, BOTNETS, WORMS OR TROJANS!

How do you develop the right cybersecurity solution?

The Cyber Foundations course at the Athora PACE Division covers current Internet threat trends, the impact on organisational security, compliance requirements, and provides hands-on experience in a controlled environment.

Four, day-long sessions, online,
between January and March

Cybersecurity Foundations

Distance Education

Monday - Friday

8:30AM-4:30PM

- 29 January - 2 February
- 26 February - 1 March
