

Diploma in Plumbing Technology DP-PLUMB

PROGRAMME OVERVIEW

The course requires that persons be working in the field continuously for a minimum of five (5) years or possess a relevant associate degree or higher. Graduates will be eligible to receive an industry-recognised certificate in plumbing from the National Centre for Construction Education and Research (NCCER), meet the Bermuda National Training Board standard and receive a Bermuda College Diploma in Plumbing Technology. Students will be eligible to sit the City and Guilds Scheme 6129 examination.

Prerequisite: NCCER Core (8CR)

(Please see NCCER Courses on pg. 104.)
